HANHAM COMMUNITY CENTRE
TRUSTEES ANNUAL REPORT
YEAR ENDING 31 MARCH 2019

The Trustees have pleasure in presenting this report and the unaudited financial statements of the Charity for the year ended 31 March 2019. As described the Charity's Trustees are responsible for the preparation of financial statements.

1. Responsibilities of the Trustees

The Charities Act requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the end of the year and of the surplus or deficiency for the year then ended.

In preparing those financial statements, the Trustees are required to select suitable accounting policies, as described on page 10, and then apply them on a consistent basis, making judgements and estimates that are prudent and reasonable. They must also prepare the financial statements on the 'going concern' basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the Charity and to enable them to ensure that the financial statements comply with the Charities Act 1993. The Trustees are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

2. Background & Governing Document

The Charity is a local community association established following WWII, and governed by a Trust Deed dated 20/5/1945. Since then it has developed in membership, facilities and activities but has remained a focal point in the community. Located on the outskirts of Bristol (in the county of South Gloucestershire) it is now surrounded by local development which has taken it from a rural to urban environment. This has changed the nature of both the activities and the membership. The centre is located on a main site with a separate sports ground about 1 mile away. The Governing Document was completely revised on 2000, and from 1st April 2009 the centre operates under the working name of 'Hanham Community Centre'. In 2013 it registered this name as a new Charitable Incorporated Organisation (CIO), closing the old "Hanham Community Centre" charity. The current Constitution is dated 8th February 2018. In 2016 the Trustees formalised the Social Club as a independent trading company, wholly owned by charity.

4. Objectives

The objectives of the Charity, as stated in the CIO governing document are:

- a. to promote the benefit of the inhabitants of the area of benefit without distinction of sex, sexual orientation, age, disability, nationality, race or of political, religious or other opinions, by associating together the said inhabitants and the statutory authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants;
- b. to establish, or secure the establishment of, a Community Centre and to maintain and manage the same (whether alone or in co-operation with any statutory authority or other person or body) in furtherance of the Objects;
- c. to promote such other charitable purposes as may from time to time be determined.

And the Charity shall be non-party in politics and non-sectarian in religion. The area of benefit (“area of benefit”) shall be Hanham and the surrounding district.

5. Vision & Mission

(a) Our Vision Statement is:

“To be a welcoming, community focused organisation; providing a place where people can flourish and enhance the community. We see a future that is sustainable, well managed and developing; through a family focused centre which is available-when-wanted, thriving, and well utilised; and provides the facilities and activities that are needed”.

(b) Our Values are:

- We, put customers **first**, Take **pride** in what we do, **Respect** others, **Strive** to be the best, and Act with **integrity**
- **We recognise and value the commitment and hard work by our volunteers & staff**
- We are open to constructive criticism and to suggestions for improvement

(c) Our Mission Statement is:

“To provide a clean, safe and welcoming venue to the community, which through its facilities and activities shall allow people to learn, develop skills, socialise and gain friendships”

This has been developed into a number of specific strategic objectives:

- Ensure the centre is clean, warm, welcoming and safe
- Develop the usage of the facilities with new activities
- Modernise the building
- Increase utilisation of centre
- Introduce better and updated management practices
- Engage with users and get feedback

6. The Board of Trustees

Details of the current membership of the Board of Trustees, the officers and the extant sub-committees are as listed at Annex A. The method of appointment of Trustees is detailed in the current governing document. The centre is financially stable, with a nominal annual trading figure of around £159K, and surplus of £12K (Noting £4681 is fund change, £3000 is a capital grant, and represents an operating surplus of £4300). We have a membership¹ of 480 members and support many activities for members and non-members. Membership is currently £12 pa. The centre relies heavily on the Charity Trustees and volunteers for fund raising. We have a core staff of five with a number of casual staff, as such the centre has a written Health and Safety Policy. The majority of our income is through our own fundraising and the hiring of our facilities (for parties and community activities etc).

7. Policies

(a) Reserves Policy

The Trustees have set a Reserves Policy which requires:

- Reserves are built/maintained/reduced to a level which ensures that 9 months of the organisations core activity could continue during a period of unforeseen difficulty (nominally 10% of income). For the current year this is estimated to equate to £15,000.
- A proportion of Reserves are maintained in a readily realisable form.
- A decision has been taken to develop a Designated Reserve of £10,000 for the purpose of Modernising and improving the Utilisation of the Centre, as well as a Designated Cyclical Maintenance Fund of £10,000; both these funds are subject to other financial commitments.

The Current level of Free General Reserves is £11,332, which is at an acceptable level to provide 9 months core activity taking into account risks associated with each stream of income and expenditure being different from that budgeted, planning activity level, and the organisation’s commitments.

¹ Strictly “Associate Members” as defined in the Constitution and Membership Policy

(b) Public Benefit Statement

In terms of PB1, public benefit requirement, the Trustees have outlined the mission, objectives (purpose) and achievements of the charity and believe they have clearly defined what the public benefits delivered are, predominantly in terms of the charitable purpose described as:

- the advancement of citizenship or community development;
- the advancement of the arts, culture, heritage or science;
- the advancement of amateur sport;
- the relief of those in need, by reason of youth, age, ill-health, disability, financial hardship or other disadvantage;
- other purposes currently recognised as charitable and any new charitable purposes which are similar to another charitable purpose (Recreation Charity).

In terms of public benefit relating to running (PB2) and reporting (PB3) the Trustees can confirm they have complied with their duty to have due regard to the commission's public benefit guidance when exercising any powers or duties to which the guidance is relevant and reported herein.

9. Achievements

The main achievements and activities over this year are as follows:

(a) Management and Governance

- Trustee & Staff numbers have remained steady with few changes;
- The Centre is a member of NCVO;
- The HCC website is regularly updated, and we receive over 25,000 hits per month;
- HCC land is now registered with Land Registry, but there remain a few pockets of land incorrectly registered to the local council (within our land area), and this will need to be investigated and resolved;
- The Trustees continue to look at the options to install solar panels on the roof and/or field;
- Options to refurbish and remodel the annex are being considered, but are a low priority background task;
- The policy to not permit 18th Birthday parties, agreed in 2017, remained in place and has been well received;
- The Trustees are engaged in 'early' assessment to look at a major redevelopment of the community centre premises and potentially a new community centre building and sports facility – at present this is only exploratory with no firm commitment to proceed;
- An improved backup solution was implemented for the charity's IT storage through a cloud-based backup solution from Cloudberry;
- Membership management has also been moved to an online supplier;
- Card payment (using Square) was adopted by our Trading company, and will be adopted for the CIO to meet the increasing demand for card payments;
- Our trading company is progress recruitment of a new Bar Steward/Bar Manager – but finding a suitable person is proving challenging.

(b) Maintenance and Improvements

- HCC received two award in this period, this was:
 - Asda Grant: £200.00 (Extend Wifi)
 - SGC MAF: £3000.00 (New chairs for Wessex Suite)
- Work to complete the first-floor toilets refurbishment and new CCTV cameras has now completed;
- The curtains on the Wessex Suite were replaced (£1577);
- PAT Testing of HCC portable appliances was undertaken, and a PAT Tester purchased to maintain this in future;
- A reception desk was installed in the foyer to enable to duty officers to provide a better service to the patrons;
- The Elbow Suite floor was sanded back to the wood and re-sealed.

(c) Activities & Community Engagement

- An Art Exhibitions and a three Table Top Sale were hosted;
- A Community New Years Eve party was held;
- Production of pantomime and plays by the drama group as well as a play from the newly formed drama Youth Group;
- A number of fundraising events were held by various organisations;
- The centre hosts three boxing/wrestling events per annum;
- The centre acted as a Polling Station;
- The centre supported the Remembrance Service with PA system, bar facilities and free Teas & Coffee;
- The Football club using the pavilion has not proved to be beneficial, and the Trustees are looking at options for the future;
- The Trustees have agreed with the local secondary school (Hanham Woods) that the community centre is an Emergency Decant building for the school in case on an emergency.

10. Issues & Risks

- Whilst we continue to experience increasing staff and utility costs, it is proving difficult to pass these onto the user groups. Over the year we have had gained 11 and lost 7 activities – mainly due to available rooms or a lack of support for an activity.

- As always, the centre lacks committed and willing volunteers to support the work of the Trustees, as such the Trustees will be focusing on maintaining equilibrium, based on the Strategic Objectives outlined above. In 19/20 we hoped to add two additional Trustees;
- Gift Aided surplus from the Bar and Trading company has fallen, partly due to lower lounge bar occupancy, but also due to lower consumption at parties and functions – this has considerably reduced this income source;
- Right of Way: There remains a dispute between the Charity and a neighbour over the right of way across our land. However there has been no major action on this matter during this reporting period, though there remains on-going harassment and endless ‘photo taking’;

11. Future Developments Projects

Whilst this report is strictly for the period 1st Apr 18 until 31st March 19, this section is more akin to a Business Plan for the forthcoming year; and is based on a Strategic Review held by the Trustees in April 2019. The outcome of the review was an agreement that the overall strategy remains generally unchanged. In simple terms the shorter-term focus would be on modernising the older parts of the Centre, while trying to increase the overall utilisation of the existing facilities.

“Communicate to enable focused Modernisation and Utilisation”

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the view given by the accounts.

INDEPENDENT EXAMINERS STATEMENT

In connection with my examination, no matter has come to our attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - a. to keep accounting records in accordance with section 41 of the Act; and

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 MARCH 2019**

1. ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared under the historical cost convention, and in accordance with applicable accounting standards and the Statement of Recommended Practice on accounting by charities (SORP 2005).

Depreciation

Depreciation is calculated so as to write off the cost of an asset over the useful economic life of that asset as follows:

Property

The premises are shown at their 1995 professional valuation as instigated by the Centre's bank for the purpose of providing security against borrowings

Office Equipment, Furniture and Fitting and Sports Field Equipment

These are shown at their written down value as estimated by the Centre's Treasurer and are subject to depreciation on a straight-line basis over the expected useful life of the particular asset.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.
